# Hall of Fame Inductees

The Kiwanis Club of Raleigh was chartered in 1920 and is celebrating its Centennial anniversary this year. With 214 members, the Raleigh club is the largest in the Carolinas and the fifth largest in the world! For a century, they have served kids locally and globally. As an all-volunteer organization, Kiwanis relies on its members to donate their time and treasure in support of dozens of Wake County nonprofit causes. Boys & Girls Clubs Serving Wake County is profoundly grateful for the longstanding support of the Kiwanis Club of Raleigh, and we are honored to induct them into our Boys & Girls Clubs Hall of Fame!

The United Way of the Greater Triangle mission is to eradicate poverty and increase social mobility through the power of partnerships, with support across four counties in NC. Last year, the United Way served more than 236,000 people through the Community Impact Fund and through the Rapid Response Fund. Through the Rapid Response Fund, which launched at the start of the COVID-19 pandemic, United Way has provided additional support to 127 nonprofit organizations supporting residents with critical needs including food, childcare, rental assistance, and more. Boys & Girls Clubs Serving Wake County is profoundly grateful for the longstanding support of the United Way of the Greater Triangle, and we are honored to induct them into our Boys & Girls Clubs Hall of Fame!
