AMAZING PROGRAMS MAKE GREAT FUTURES

ACADEMIC SUCCESS

Boys & Girls Clubs education programs are a cornerstone of our youth development strategy. Programs like Project Learn, Power Hour, and AI help kids strengthen basic academic skills, build confidence, and build a road map for success that helps them stay on track to graduate high school and set the stage for life-long learning through college and beyond.

HEALTHY LIFESTYLES

The Boys & Girls Clubs provide a safe place to learn, grow, and play - all while having FUN! With healthy lifestyle programs like Triple Play, SMART Moves, Soccer for Success, sports leagues, and more, we help youth and teens learn the building blocks of a healthy lifestyle.

GOOD CHARACTER & CITIZENSHIP

Good Character & Citizenship programs like Keystone Club, Torch Club, Youth of the Year, Youth for Unity, and more help children and teens make a positive investment in their community through service to the Clubs and community. These programs reinforce positive character traits and help youth build key skills like personal responsibility, teamwork, time management, conflict resolution, and appreciation for diversity.
